# FAQs

## **Will COVID-19 restrictions affect my booking?**

Please contact Sabine at [events@littlebang.com.au](mailto:events@littlebang.com.au) to see how/if they will affect your event!

## **Can you stay open later than your standard closing times?**

Yes! Little Bang is able to stay open until 11pm; additional bar tab minimum spends apply.

## **Bar Tabs; do you have them and how do they work?**

Unfortunately our till system is not set up to allow for subsidised drinks. We run with the tried and true bar tab system! We can supply you and your guests with wristbands (\$1.50 for 10) or you can BYO wristbands, tokens or tickets so you can allocate your guests a designated number of drinks each i.e. each token or ticket redeemable for one drink.

## **How does this minimum spend work?**

A minimum spend applies to both the bar and food for all events for a 3-hour period. It specifies the dollar amounts on food & beverages that must be spent in the time you have booked the space for and are dependent on the size and space you require. We let you know what the minimum bar tab and food spend is for the area that best fits your requirements. You can also add more on the day. All food & beverage bills must be paid together on the one bill at the conclusion of your event.

## **Can I BYO drinks?**

Sorry, no. We have a brewery/producers licence not a traditional bar licence, so legally we're not allowed to. The upside to this means you get the freshest beer possible brewed just meters from where you stand! Anyone found to have BYO'd their own beverage of any sort will have it given to the bar crew as staffies and promptly asked to depart the venue.

## **Can I organise my own catering?**

Sorry, no. We have our own kitchen! We are more than happy to work with you however to create the perfect menu for your event.

## **How early can I come and set up for my event?**

Our event space will be available for set up half an hour prior to the start of your event. If you require longer we're happy to extend this for you with additional minimum spends.

## **Is there any type of event you won't host?**

Yes, we don't host 18th or 19th birthdays, sorry!

## **Can I bring cake and decorations to my party?**

Yes. Just bring your own knife to cut the cake, plates, forks, napkins or whatever else you may require, and please make sure they are compostable. In the event you'd like us to cut the cake for you, a cakeage fee of \$1.50 per slice will be charged. This includes our plates, cutlery (if required) and serviettes. We can also supply a cake/gift table or barrel with prior arrangement. Decorations are also welcome, with the exception of rice, confetti, rose petals, table scatters, projectiles and sticky tape, as long as they don't do any damage to our fine establishment.

## **Oh, no! We made a big mess and we accidentally broke some stuff, now what?**

In the event your party has gotten a notch or two messier than usual and our team has to stay back to clean up after any excessive joy, a cleaning fee of \$50- per hour will be charged to your account prior to your leaving for the night. Any damage incurred to the property will also be charged accordingly, either on the night or within a reasonable amount of time to get quotes post function, damage dependent. It is the responsibility and in the best interest of the event organiser to ensure things don't get too out of hand.

## **How do I pay my deposit and bar tab?**

A non-refundable\* deposit of \$300- is required to secure your event. Deposits can be paid over the phone or in person at the venue in cash or by credit card. The deposit is taken off your final bill at the conclusion of your function. Sorry, we don't accept Cheques, American Express or Diners. All accounts must be settled in full on the night of the event by either cash or credit card.

## **What is this RSA thing?**

For those lucky enough to look near the legal drinking age (look under 25 years old), appropriate ID will be required if requesting or consuming alcohol. We reserve the right to hire third party security to monitor under age guests (at the event organisers expense, mandatory for all 21st birthdays). Any underage guest consuming alcohol on premise will be removed immediately and further action will be taken. We are governed by Liquor Licensing Laws and comply with RSA (Responsible Service of Alcohol) standards. We reserve the right to refuse, exclude or remove any person behaving in an antisocial or disruptive way or under the influence of alcohol or drugs. If anyone is found to be consuming illicit substances on the premises, the function will come to an immediate conclusion and all guests will be asked to leave the venue.

# FAQs CONTINUED

## **Can I bring minors?**

All underage versions of you and your friends are welcome but are your responsibility and must be supervised by a responsible adult at all times. All minors must be off premise by 10pm.

## **I want my event on a public holiday, will that cost more?**

Yes. All our friendly bar and kitchen crew need to be paid appropriately for giving up their public holiday to help host your event so surcharges do apply. Please contact us for details.

## **Can I play my own music?**

If you are hiring the venue exclusively then yes! We are happy to put on your favourite tunes via a Spotify playlist. If your party extends past our public closing time of 10pm, you're welcome to create a playlist for 9:30pm onwards.

## **How do I choose the food?**

Let us know which option you'd like to go for (Little/Medium/Big) and email through which items from the Hot, Cold or Sweet Selections you're keen to tuck into at least two weeks prior to your event. Also, please include any dietary requirements and how many people you'd like to cater for. For example, if you have a party of 40 people and have a few big eaters but think the Big Bang may be too much, you can always choose the Medium Bang and cater for 50 to include a little extra food!

## **\*What happens if COVID gets in the way of the event?**

If pesky restrictions surface in the lead up to your event, you may postpone the event to a later date at no charge. In the worst case scenario where a cancellation is required, we can refund your deposit with either 50% cash or a voucher at 100% of the value that can be used on takeaways or food & beverages in-venue.
